

Employer's Handler & Worker Roster

for Worker Protection Training on Farms, Forests, Greenhouses & Nurseries

Instructions:

This form may be used by owners, operators and supervisors of farms, forests, greenhouses and nurseries who train their handlers and workers on the Worker Protection Standards (WPS).

The trainer should keep one copy of this roster and training information in his/her file and send one to the Tennessee Department of Agriculture and The University of Tennessee Pesticide Safety Education Program office:

Certification and Licensing Section
Tennessee Dept. of Agriculture
P.O. Box 40627
Melrose Station
Nashville, TN 37204

UT Pesticide Safety Education Program
Dept. Of Entomology & Plant Pathology
2431 Joe Johnson Dr.
205 Ellington Plant Science Bldg.
Knoxville, TN 37996-4560

An exam is not required for handlers or workers nor are they required to be certified to take the training.

A qualified (certified) WPS trainer in Tennessee is one who is certified as a Private or Commercial Applicator and has passed the WPS exam. Training to be a trainer, which is offered by The University of Tennessee Extension, is highly recommended.
